During the redevelopment of the official website of the Authority, we have simplified the posting of information for site administrators. and this is well appreciated by site admins.

We have redesigned the Telegram Bot for receiving electronic appeals from citizens and added additional features to it

--to reduce the difficulties in receiving appeals, it is possible to get this job from the Telegram bot itself.

--citizens can now accept media files

and many other possibilities.

About me

How i imagine mine and many of my teammates are of the same opinion

---I learn quickly

---Instead of distracting people by asking too many questions, I try to find out on my own

---I go out with people quickly

---I avoid unnecessary arguments

---I don't like being separated from the team
